

Declaration Botanical Garden Organization  
Administrative Towards the Government Agency with Good Governance

On behalf of Director General of the Botanical Garden Organization with full awareness of prevention and suppression of government corruption. I hereby declare our intent to administrate the organization in good governance, transparency, and accountability manners. The intent is purposely towards the anti-corruption organization with good governance and transparency. All personnel of The Botanical Garden Organization shall perform their duties with honesty, good faith, morality, transparency, and accountability in compliance with standards, law, and regulations under following polices.

**Transparency:** to provide an open access for basic information and the procurement information of the organization, as well as allow public or stakeholders to verify, access, and process any complaints under integrity and legitimacy.

**Accountability:** to devotedly work with utmost efficiency under laws, regulations, and standard methods, to take responsibility for every decision and administration. And declare the organization intent to gain public confidence in the administration of the organization.

**Corruption-Free Performance:** to work honestly and faithfully without using duty positions for seeking outside benefits and to abide by ethics, morality, and values of the organization.

**Culture of integrity:** to establish the culture of integrity for anti-corruption and to decisively implement any measures for punishment on corrupt personnel.

**Work Integrity:** to strictly conduct all works in accordance with manual of standards, laws, and regulations, to administrate human resources with morality and ethics, and to manage any organization budgets with transparency and accountability.

Declared to know each other by 8 December 2019

(Mr. Ronnarong Sengiam)

Director General of the Botanical Garden Organization
